Appendix 2 – Remuneration and travel expenses

As it is NSW Government policy that payment of any fees and/or allowances and reimbursement of expenses is to be made to the individual board or committee member and the Board is also required to meet certain tax obligations, Board members are entered onto and paid through the department's payroll unless the organisation being represented is to be reimbursed. Therefore both a 'Personal Details' and a 'Tax file number declaration' form will need to be completed and returned.

As at February 2014, Board members may claim the following:

1. Annual retainer - \$3,090
2. Daily sitting fee - \$260 per day or \$130 per half day for approved functions other than Board meetings
3. Private motor vehicle allowance – in some instances
4. Other travel expenses.

Remuneration and private motor vehicle

Annual Retainer – this payment:

- Covers the attendance at all Board meetings
- Is paid annually in June
- Does not require a claim from the member as the secretariat automatically arranges payment internally.

Daily Sitting Fee – this payment:

- Covers approved functions other than Board meetings such as committee meetings, presentation ceremonies, being an examiner representing the Board, Kurri Kurri Workshop, etc.
- Needs to be claimed for by the member in writing using the required form
- Preferably the claim should be submitted within a month after the event and within the relevant financial year.

Private motor vehicle allowance – this payment:

- Approval for the use of a private car will need to be sought from the Registrar, one month prior to the event (using the 'Travel Application form), as public sector guidelines state: 'The relevant agency head, or other appropriate approver, may authorise a public official to use a private motor vehicle for work where:
 - It will result in greater efficiency or involve the department in less expense than if travel were undertaken by other means or
 - The board or committee member is unable to use other means of transport due to a disability'.
- Claimed travel will be paid at the 'Official Rate' relevant to motor vehicle engine size.
- The motor vehicle being used requires both green slip and comprehensive car insurance, a copy of the comprehensive car insurance needs to be supplied with the relevant claim.

All claims for remuneration and private car travel are to be made using the 'Board/Committee Member Sitting Fee and Private Vehicle Use Claim' form (to be returned to BOSSI for approval by the Registrar).

1. Accommodation and meals:
 - An upper limit for reimbursement will apply and are determined by NSW Treasury.

 - Will be paid at cost.

Some general rules relating to travel expenses include:

- Where air travel is required to attend an event, economy class travel is to be used at all times and boarding passes are required to be submitted with the claim.
- Receipts must be provided for all amounts being claimed, including train fare where possible.
- All claims for expense are processed and paid through the department's finance section and therefore a written claim needs to be made via either invoice or letter of claim
- Preferably the claim should be submitted within a month after the event and within the relevant financial year.
- Travel arrangements must comply with Premier's Memorandum M2009-04: Official Travel within Australia and Overseas.

How to make a claim

To make a claim for reimbursement of travel costs incurred, a claim in writing needs to be made and it is preferred that the claim is to be made within one month of the attended event. The format of the claim will depend on how the member is claiming.

1. If claiming with an ABN, a numbered tax invoice needs to be supplied with supporting receipts and if registered for GST, this needs to be applied. If no GST is being claimed, either the GST amount being claimed needs to be noted as zero or the words 'No GST charged' added. The invoice also needs to contain:
 - The words 'tax invoice' stated prominently
 - The name of the supplier including address and contact numbers
 - The ABN of the supplier
 - The date of issue of the tax invoice
 - A brief description of the goods or services sold
 - The total price of the sales (including GST)
 - Clearly identify each taxable sale
 - Show the total amount of GST to be paid, and
 - Show the total amount payable for the sales.

2. If claiming with no ABN, a letter of claim with supporting documents will be sufficient. If the claim for payment is not a tax invoice and does not have an ABN, under GST legislation withholding tax of 46.5% must be deducted. There is an exemption from deducting withholding tax if the member signs a 'Statement by Supplier' indicating that either:

- The supplier is an individual (not in business as a partnership, company or trust)
- The supply is a private or domestic nature.
- The supply is made as part of a private recreational pursuit or hobby.

The letter of claim (any style) will need to contain:

- Name and address of the Board
- Name and address of claimant including contact numbers
- Date of claim
- Event attended
- Date of event
- Description of expenses been claimed with total amounts for each expense.

The preferred method of payment for claims of expenses by the department is via electronic funds transfer, therefore it would be preferable if bank details are provided as well as a contact details for the issuing of a remittance advice.
