

Board of Surveying and Spatial Information Renewal of Registration for 2017/2018

Continuing Professional Development (CPD) Compliance

Surveyors are required to certify, as part of their registration renewal, that they comply with the Board's CPD requirements for renewal of registration. The surveyor's certification shall certify that the required number of CPD points, in the required categories, has been obtained during the relevant CPD period.

I _____

have in 2016/2017 gained the required CPD points in accordance with the Board's CPD Policy to comply with requirements for renewal of my registration as a Land/Mining Surveyor for 2017/2018.

Signed _____

OR I have contacted BOSSI for an exemption/extension to comply with CPD requirements.

Signed _____
