

The approved project/s must comply with the requirements of the examination determination and must have been undertaken by the candidate under the mentorship of a mentoring surveyor in the two years immediately preceding the date of the exam. If the project is outside the prescribed time frame, the candidate may apply to BOSSI to have this requirement waived. BOSSI may at its absolute discretion accept or reject an application and apply conditions to any acceptance.

1. Candidate Name: \_\_\_\_\_

2. Candidate ID Number:

3. Project Description: (proposed plan heading, number of lots, if partial survey confirm what part is surveyed, other relevant information to describe project)

This image shows a blank sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.

4. Competency exemption request is for the following criteria:

- ☐ At least one boundary must show a vertical boundary obstructed by buildings/walls or other vertical obstruction so that it is not possible to define or redefine by direct measurement. If the survey involves a party wall, the candidate must survey the relationship of both sides of the party wall to the surveyed boundary. The measurements relied upon are to confirm the direction and width of that wall throughout its length.
- ☐ At least one boundary shown in the Urban Cadastral Project must be based on two or more deposited plans. The candidate must also present an identification survey
- ☐ The project is outside the two-year requirements as outline in Section 8 of the determination.

5. Summary of exemption, including justification why exemption should be provided:

This image shows a single sheet of white paper with horizontal blue or grey ruling lines. The lines are evenly spaced and run across the width of the page. There are approximately 20 lines visible. The paper appears to be a standard notebook page.

6. Supporting information/files are supplied with my application:
