

The approved project/s must comply with the requirements of the examination determination and must have been undertaken by the candidate under the mentorship of a mentoring surveyor in the two years immediately preceding the date of the exam. If the project is outside the prescribed time frame, the candidate may apply to BOSSI to have this requirement waived. BOSSI may at its absolute discretion accept or reject an application and apply conditions to any acceptance.

1. Candidate Name: _____

2. Candidate ID Number:

3. Project Description: (site location, number of lots, other relevant information to describe project)

[illegible]

4. Project exemption request is for the following criteria:

- ☐ The project will involve preparing a proposal for a significantly large development in an urban, rural or industrial area which meets the provisions of the relevant planning instruments and other planning requirements. Ideally the project will be one on which the candidate has had some professional involvement whilst undertaking their practical experience.
- ☐ A project of suitable complexity will generally assist the candidate to demonstrate competence, thus avoiding the need for assessors to also rely on questions of a more general nature.

As a guide the following subdivisions sizes are considered suitable:

- ☐ Conventional residential subdivision 20 hectares or 50 lots
- ☐ Rural subdivision 50 hectares or 20 lots
- ☐ Industrial subdivision 20 hectares or 20 lots
- ☐ Candidates should discuss this project with their mentoring surveyor and other professionals, and also note these discussions, along with any comments. Candidates should seek relevant data from councils and government agencies for their project.

5. Summary of exemption, including justification why exemption should be provided:

[illegible]
